Dear Bill:

Thank you for your letter of March 12, 1982,
regarding your conversations with Senator Specter.

As you probably know, I inserted a copy of
your letter into the Record last week and made a
statement which clarified your position on the
Intelligence Identities Protection Act. There has
been a good deal of discussion of this bill in
recent weeks, and the issue of the position of the
Administration has been bandied about a good deal.
Your letter to me was very timely and cleared up a
lot of the misinformation that was floating about on
this point.

As you probably know now, the Intelligence
Identities Protection Act passed the Senate by a
vote of 90 to 6 last Thursday. We are all very
pleased with this, and hope that we can move the bill
through Conference quickly so that we can have a law
sometime this spring.

Once again, thank you for getting in touch on
this important matter.

Sincerely,

John H. Chafee
United States Senator
